Overall Length:

84.375 inches

End Application:

L.P. Compressors; air compressors, high pressure

Unit Type:

Protective tube

Mounting Facility Type And Quantity:

1 connection

Immersion Length:

4.000 inches

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A27600
