Thermocouple Harness Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6685-00-480-6514>

General Description:

Thermocouple lead, single conductor, 108.2 in. Lg, type k alumel negative lead, asbestos-polytetrafluoroethylene insulation in sections joined by sleeve nuts, positive mate is chromel, fsn 6685-480-6513

Fsc Application Data:

Tf41-a-1 aircraft exhaust temperature indicating system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
