Overall Height:

3.781 inches

Mounting Method:

Flange

End Application:

Poseidon; amot controls, compressor unit

Largest Outside Diameter:

2.546 inches

Usage Design:

Valve control

Opening Temperature Rating:

120.0 degrees fahrenheit

Operating Temperature Rating:

140.0 degrees fahrenheit

Spring Operated Pressure Relief:

Not provided

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T121-c
