Overall Length:
22.000 inches

Operating Tempurature Range:
-310.0/+750.0 degrees fahrenheit

Unit Type:
Bayonet

Accommodated Wire Awg Size:
20

Special Features:
Copper constantan wire material

Fiberglass outer jacket insulation/sheathing
Terminal Type And Quantity:

2 connector, plug

_.

Shelf Life:

Material:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A27600
