**Current Type:**

Ac

**Ac Voltage Rating:**

115.0 volts

**Frequency Rating:**

60.0 hertz

**Presentation Type:**

Meter

**Electrical Connection Quantity:**

1

**Pointer Type:**

Indicating single pointer

**Product Name:**

Differential pressure null indicator

**Special Features:**

Ccontrol box null indicator for bench use, complete with power cord and cable to cell; designed to work with the ruska m0del 2413 pressure systems; center zero with zero adjust and adjustable gain

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A533y0
