Current Type:

Ac

Ac Voltage Rating:

115.0 volts

Frequency Rating:

60.0 hertz

Presentation Type:

Meter

Electrical Connection Quantity:

1

Pointer Type:

Indicating single pointer

Product Name:

Differential pressure null indicator

Special Features:

Ccontrol box null indicator for bench use, complete with power cord and cable to cell; designed to work with the ruska m0del 2413 pressure systems; center zero with zero adjust and adjustable gain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A533y0
