

View Online at <https://aerobasegroup.com/nsn/6685-00-938-0433>

Tempurature Rating:

175.0 degrees fahrenheit

Physical Form:

Crayon

Special Features:

Hexagon cross section, 0.375 in. Across flats

Reference Number Differentiating Characteristics:

As differentiated by temperature rating, physical form and special features

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-w
