End Application:

Poseidon material

Stem Length:

5.250 inches

Design Type:

Fluctuating

Scale Type:

Vertical

Scale Inscription/background Color:

Black markings on white background

Scale Length:

7.000 inches

Actuating Medium:

Mercury

Scale Measurement Range:

+50.000/+400.000 degrees fahrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A27600
