End Application:

Poseidon material

Terminal Location:

Top

Power Source:

External

Terminal Type And Quantity:

1 wire lead

Maximumlength:

2.125 inches

Maximumwidth:

1.875 inches

Maximumheight:

0.250 inches

Indication Method:

Receiving pointer

Sensing Element Type And Location:

Linked diaphragm internal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31700
