Aneroid Manometer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-035-2167

Usage Design:

Pressure measuring system

Graduation Unit:

0.133 millibars

Scale Range:

+0.00/+133.32 millibars

Mounting Method:

Table

Special Features:

Consists of digital transducer indicator and absolute pressure transducer with interconnecting cable

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T179-a
