Overall Length:

48.500 inches

Operating Temperature Range:

+0.0/+900.0 degrees fahrenheit

End Application:

Trident material

Unit Type:

Bayonet

Immersion Length:

0.625 inches

Material:

Steel comp 304 protective tube

Terminal Type And Quantity:

1 connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
