Diameter:

3.000 inches

Length:

6.000 inches

Scale Range:

+0.1/+1300.0 degrees celsius single indicator single scale

Special Features:

Over-temp warning light set point 1080 degrees c; scale calibration: 2 degrees c increments counter, and 50 degrees c graduations pointer; scale qty: 1; pointer qty: 1

Color:

White pointer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A533y0
