Overall Length:

1.750 inches

Overall Height:

5.188 inches

Operating Temperature Range:

-17.8/+37.8 degrees celsius

End Application:

Control air sys ventilation onboard 400 ft wagb coast guard vessels

Special Features:

Rect rear mt brkt; 8 ft sensing elem - stnls stl bulb & capillaries; slot 1.875 ins w

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
