**Current Type:**

Dc

**Special Features:**

Pressure port has standard npt/national pipe thread female connector; 075 psig range; 100 mv dc output; four conductor cable, o/a lg 184.500 in.

**Functional Description:**

Sensor, oil-pressure

**Reference Data And Literature:**

17mt11, ti-6820/1, fa-9996/17, environmental monitor & control eq, sec 1-11, pg 8-5

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T179-e
