Pressure Transmitter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-184-5209

Current Type:
Dc
Special Features:
Pressure port has standard npt/national pipe thread female connector; 075 psig range; 100 mv dc output; four conductor cable, o/a lg
184.500 in.
Functional Description:
Sensor, oil-pressure
Reference Data And Literature:
17mt11, ti-6820/1, fa-9996/17, environmental monitor & control eq, sec 1-11, pg 8-5
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T179-e
