Case Material:

Nickel copper alloy, mil-c-15726, comp 70-30

Actuation Type:

Bellows

Scale Type:

Dial

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T179-b
