## NSN 6685-01-276-0696

Fluid Pressure Dampener - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-276-0696

Overall Length:
2.500 inches
End Application:
Landing craft utility, 115ft
Thread Location:
External
Connection Quantity:
1
Fluid Type For Which Designed:
Liquid vapor pressure
Threaded Direct Pressure Connection:
Provided
Material:
Brass
Material:
Copper alloy
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T179-n
