End Application:

An/asq-t25 and an/asq-17 aircraft training devices; part of nsn 6695-01-147-9746 pressure transducer

Electrical Connection Quantity:

1

Measurement Range:

-4.0/+4.0 pressure

Special Features:

Pressure range +/- 4 psid

Supplementary Features:

Mfg names: pressure sensor; transducer assembly; alpha sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T179-e
