**End Application:**

An/asq-t25 and an/asq-17 aircraft training devices; part of nsn 6695-01-147-9746 pressure transducer

**Electrical Connection Quantity:**

1

**Measurement Range:**

+0.0/+12.5 pressure

**Special Features:**

Pressure range 0 to 12.5 psid

**Supplementary Features:**

Mfg names: pressure sensor; transducer assembly; ps sensor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T179-e
