**Case Material:**

Nickel copper alloy

**End Application:**

Differential pressure indicator

**Actuation Type:**

Bellows

**Scale Range:**

+0.0/+40.0 inches of water

**Scale Name:**

Differential pressure

**Scale Type:**

Dial

**Actuating Element Material:**

Nickel alloy

**Scale Inscription/background Color:**

White background-black markings

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T179-b
