Case Material:

Nickel copper alloy

End Application:

Differential pressure indicator

Actuation Type:

Bellows

Scale Range:

+0.0/+40.0 inches of water

Scale Name:

Differential pressure

Scale Type:

Dial

Actuating Element Material:

Nickel alloy

Scale Inscription/background Color:

White background-black markings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-b
