| Overall Length:                     |
|-------------------------------------|
| 6.687 inches                        |
| Stem Length:                        |
| 6.000 inches                        |
| Design Type:                        |
| Fluctuating                         |
| Dial Diameter:                      |
| 2.000 inches                        |
| Scale Type:                         |
| Dial                                |
| Scale Measurement Range:            |
| -50.000/+550.000 degrees fahrenheit |
| Material:                           |
| Steel meter case                    |
| Style Designator:                   |
| Stem welded to case                 |
| Shelf Life:                         |
| N/a                                 |
| Unit Of Measure:                    |
|                                     |
| Demilitarization:                   |
| No                                  |
| Fiig:                               |
| A27600                              |
|                                     |
