Actuation Type:

Pressure sensing element

Scale Range:

-100.0/+10.0 inches of water

Scale Name:

Inches of water

Pointer Color:

Red

Scale Type:

Dial

Actuating Element Material:

Steel, corrosion resisting, aisi 316

Scale Inscription/background Color:

White backgroun, black markings

Bezel Type:

Any acceptable

Connector Type Vent:

Not provided

Special Features:

Cleaned for nuclear service

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
