Overall Length:

9.750 inches

Overall Height:

9.750 inches

Overall Width:

11.875 inches

End Application:

Physical properties testing equipment

Special Features:

115vac 60hz 1ph 10w max; operating coolant pressure 80-150psig; operating ambient temperature 41f to 122f; frost/dew point range 50f to -50f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
