**Overall Length:**

9.750 inches

**Overall Height:**

9.750 inches

**Overall Width:**

11.875 inches

**End Application:**

Physical properties testing equipment

**Special Features:**

115vac 60hz 1ph 10w max; operating coolant pressure 80-150psig; operating ambient temperature 41f to 122f; frost/dew point range 50f to -50f

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
