Overall Length:
9.750 inches
Overall Height:
9.750 inches
Overall Width:
11.875 inches
End Application:
Physical properties testing equipment
Special Features:
115vac 60hz 1ph 10w max; operating coolant pressure 80-150psig; operating ambient temperature 41f to 122f; frost/dew point range 50f to
-50f
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
