Case Material:

Aluminum

Actuation Type:

Any acceptable

Adjustability:

Nonadjustable

Scale Name:

Pressure-vacuum

Dial Size:

4 1/2 in.

Connection Quantity:

1

Pointer Type:

Indicating

Scale Type:

Any acceptable

Actuating Element Material:

Nickel copper alloy

Scale Name For Which Pointer Is Designed:

Pressure-vacuum

Specification Data:

64467-sa24-3aa4-lwbx 0/20 bar professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-b
