Overall Height:

7.100 inches

End Application:

Aircraft, airlifter c-17a

Accessory Components And Quantity:

1 each of ms9068-009 and ms9068-013 packing

Usage Design:

Air conditioning system

Product Name:

Thermostat, pneumatic, turbine inlet

Special Features:

normal inlet pressure: 48 psi at 150 degrees f; normal inlettemperature: 175 degrees f at 47 psi. normal control pressure: 14 psi at 240 degrees f; control temperature: 240 degrees f at 14 psi. Ambient temperature range -65 to +240 degrees f; ambient pressure range 1.69 psia to 15.75 psia

Reference Data And Literature:

Mfg drawing and a.F.T.O. 1c-17a-4-21 fig 9s index 29

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T121-c
