End Application:

Onboard 175 ft and 225 ft wlb coast guard vessels

Actuation Type:

Magnetic and piston

Scale Range:

+0.0/+100.0 pounds pressure per square inch

Scale Name:

Differential pressure

Dial Size:

2.500 ins dia

Scale Marking:

Psi, differential

Scale Type:

Dial

Actuating Element Material:

Aluminum

Bezel Type:

Snap-on

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-b
