Mounting Type:

Any acceptable

Carrying Case:

Provided

End Application:

6625-01-441-8513

Accessory Components And Quantity:

1 pressure system king nutronics p/n 3461-2-1; 1 gage case assembly king nutronic p/n 3461-3-1; 1 pressure supply cylinder king nutronics p/n 3461-45-1

Usage Design:

Pressure system

Portability:

Portable

Special Features:

Case 12 of transportable field calibration unit (tfcu); pressure group

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-x
