End Application:

6545-01-435-6013; waste water augmentation set, hospital; parr no. 13229e7171

Scale Range:

+0.0/+30.0 pounds per square inch

Dial Size:

3-1/2 in.Dia

Product Name:

GAGE-PR-ESS-URED

Special Features:

Grade b, 1/4 in. Npt. Bottom connection; subcomponent 4610-01-440-4086; guage, pressure assembly

Supplementary Features:

Listed for sierra army depot will be fabricated locally at the depot using candi subcomponents

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
