**End Application:**

6545-01-435-6013; waste water augmentation set, hospital; parr no. 13229e7171

**Scale Range:**

+0.0/+30.0 pounds per square inch

**Dial Size:**

3-1/2 in.Dia

**Product Name:**

GAGE-PR-ESS-URED

**Special Features:**

Grade b, 1/4 in. Npt. Bottom connection; subcomponent 4610-01-440-4086; guage, pressure assembly

**Supplementary Features:**

Listed for sierra army depot will be fabricated locally at the depot using candi subcomponents

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T179-b
