Product Name:

Thermostat flow control-15 to -50 degrees f e.l. Freezer bld mdl8997

Special Features:

Range -16 to -50; end item application freezer, blood; model 8997

Purchase Description Identification:

04567-270116

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T121-c
