Current Type:

Dc

End Application:

Used on 1174730 gp gauge fuel pressure sender single station, part of dive tender boat

Voltage Rating:

6.0 volts input and 24.0 volts input

Measurement Range:

+0.0/+80.0 pounds per square inch

Special Features:

Thd connector 0.125-27 nptf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-e
