Mounting Method:

Surface

End Application:

Scr (c) gensets and air conditioning unit (uor 10/99)

Usage Design:

Provide temperature control and overtemperature protection

Thermostat Type:

Any acceptable

Spring Operated Pressure Relief:

Not provided

Product Name:

3100 thermostat with a 0 degree bracket orientation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T121-c
