Overall Height:

1.370 inches

End Application:

Homing beacon assembly

Width Across Flats:

1.590 inches

Thread Size:

0.750 inches single end

Special Features:

0.750 straight pipe threads; black anodize finish; humidity plug body only; manufacturers item name: plug body

Material:

Aluminum alloy

Surface Treatment:

Anodize

Style Designator:

Plug

Thread Series Designator:

Npt single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A43400
