Heating Element Thermocouple - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-499-8896

End Application:
Incinerator
Mounting Location:
Outside meter case
Special Features:
Thermocouple with transmitter for flue gas
Material:
Stainless steel thermocouple wire
Terminal Type And Quantity:
3 wire lead
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A27600
