Ambient Temperature Sensor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-500-4243

End Application:
Proofing cabinet
Voltage Rating:
250.0 volts
Special Features:
Ritem per vendor is a high limit thermostat; temperature range: 250 degrees f (+/-30); bi-metal disk mounted on metal surface; terminal
position 45 degrees from mounting holes; contact ratin (va): 20a; label to be colored blue
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A514m0
