Scale Marking And Surface Finish:

Lined increments luminous

Mounting Hole Diameter:

2.062 inches

End Application:

Boat, harbor securi type 25' guardian 25hs0205

Presentation Type:

Indicator light

Pointer Type:

Reference single reference pointer

Product Name:

Inavy)water temperature gauge

Color:

Orange pointer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533y0
