**Product Name:**

Automatic thermoelectrically-cooled cold-cranking simulator

**Special Features:**

Measures soils at temps from -35 to -5c; meets requirements of astm d 5293, 28in by 13.125in by 25.375

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A27600
