Isolated to 1500 v rms; two-wire 4-20 ma operation; 9-50 v compliance; nmv protection to 120 vac; -40 to +85 degrees c (-40 to 185 degrees f) operation; operation shock resistance to 55 g; nema-4xd metal case; field-scalable

Style Designator:

Surface mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
