

View Online at <https://aerobasegroup.com/nsn/6685-01-520-8357>

Current Type:

Ac and dc

Actuation Method:

Magnet and piston

Special Features:

Aluminum threaded switch with 6 flying leads; 85-115 psid differential pressure setting; nitrile external seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-e
