NSN 6685-01-520-8357

Pressure Transmitter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-520-8357

Current Type:		
Ac and dc		
Actuation Method:		
Magnet and piston		
Special Features:		
Aluminum threaded switch with 6 flying leads;	85-115 psid differential pressure setting;	nitrile external seal
Shelf Life:		
N/a		
Unit Of Measure:		
Demilitarization:		
No		
Fiig:		
T179-e
