Product Name:

Model 316c differential pressure indicator

Special Features:

Mhousing material: 500 psi - sst. Connection: 7/16-20 ms16142. Bellows material: sst. Bellows fill: distilled water. O-ring: viton. Diff.

Pressure range: 0-99 in wc. Mounting: high shock. Capillary length: 1p 70ft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T179-b
