Scale Marking And Surface Finish:

Numerals luminous

Diameter:

68.0 millimeters

Presentation Type:

Dial

Scale Range:

+0.0/+100.0 air pressure single indicator single scale

Electrical Connection Quantity:

1

Pointer Type:

Indicating single pointer

Product Name:

Standard bourdon tube pressure gauges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533y0
