End Application:

Firing vavle assembly

Criticality Code Justification:

Zzzy

Product Name:

(drawing) differential pressure indicator

Special Features:

(inavy) indicator, differential pressure

Reference Number Differentiating Characteristics:

Material controlled iaw navsea 0948-lp-045-7010 material conrol standard for level i items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A533y0
