Mounting Hole Diameter:

2.500 inches

End Application:

Pump

Graduation Unit:

10.0 pounds

Actuation Type:

Bourdon tube

Adjustability:

Adjustable

Scale Name:

Pounds pressure

Dial Size:

100mm

Connection Quantity:

1

Pointer Type:

Indicating

Scale Marking:

Single

Scale Type:

Dial

Connection Type:

External

Mounting Method:

Flange

Scale Accuracy:

Porm3%

Actuating Element Material:

Bronze

Connection Location:

Back

Connection Size:

1/4 npt

Mounting Connection Location:

Back

Connector Type Vent:

Provided

Special Features:

0-300 psi range

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
