Immersion Thermocouple - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-548-7787

End Application:
Misc parts propulsion for Ihd 0008
Immersion Length:
100.000 inches
Product Name:
Inavy-thermocouple, immersion
Special Features:
Element type is platinum; sensor diameter is 12mm; a mn2380 protection well is provided with the sensor
Material:
Steel comp 316 thermocouple well
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A27600
