Overall Length:

18.000 inches

Overall Diameter:

0.250 inches

Contact Quantity:

6

End Application:

Isolation xfm

Contact Type:

Wire lead

Product Name:

Inavy-rtd probe

Special Features:

Rtd probe, lead types (3 wire configuration) , 100 ohms, 1/4 inch dia, ss sheath, intermediate length of 18 inches long, with 36 in polytetrafluoroethylene insulated leads terminated in stripped ends.

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505w0
