Overall Diameter:

0.188 inches

Contact Quantity:

3

End Application:

Switchboard power distribution 709241-101-4s/es-lpd13

Contact Type:

Wire lead

Mechanical Connection Quantity:

1

Mechanical Connection Size:

1/2" npt

Product Name:

(inavy) temperature sensor

Special Features:

Plug type temperature sensor, having platinum sensing element, with 3 wire leads of 36 inch lengths

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514m0
